Stolen beads from a Tribal elder. If you are approached by someone trying to sell Delica Beads (Black, Red, Orange and Yellow in tubes). Please report them to Burns Tribal Police. I just recently purchased the beads, I was working on a project. Now I am unable to finish. Shame on you!

2020 Census will be here soon!

I am looking for a Complete Count Committee (CCC). It is a volunteer committee established by tribal, state and local governments and community leaders or organizations to increase awareness and motivate residents to respond to the 2020 census. CCCs serve as state and local "census ambassador" groups that play an integral part in ensuring a complete and accurate count in their community in the 2020 Census. Success of the census depends on community involvement at every level. The Census Bureau cannot conduct the 2020 census alone.

Please be on the look out why the 2020 Census is so important to our community!

If you would like to volunteer please give Jody Richards a call, 541-589-4595. THANK YOU!!!

WE ARE MAKING PROGRESS:

The department wanted to share some pictures of the Hemp grow in Foley Field. These are pictures from when the seeds were planted, up through this week. The hemp plant grows rather quickly, but not as quickly as the weeds. Several Tribal members and others started working hard and diligently to pull weeds out in the field. We were surprised to see so many Tribal members show up, beat the heat and get to work. There is still a lot of work to be done, so please fill-out an application or see Joe Jenson (Hemp Grow Manager) out in the field. Field laborers are being paid \$14.00 and we need more help. This is extremely exciting for our community and we are proud of the work that has been accomplished so far.
